**SUPPLEMENTARY INFORMATION:**

*PURPOSE:* The Interagency Committee on Smoking and Health shall provide advice and guidance to the Secretary, Department of Health and Human Services (HHS), regarding: (a) coordination of research, educational programs, and other activities within the Department that relate to the effect of smoking on human health and on coordination of these activities, with similar activities of other Federal and private agencies; and (b) establishment and maintenance of liaisons with appropriate private entities, other Federal agencies, and State and local public agencies, regarding activities relating to the effect of cigarette smoking on human health.

*MATTERS TO BE CONSIDERED:* The agenda will include discussions on the topic of youth tobacco cessation. The meeting objective is to identify federal actions to prioritize areas of research that can be expedited to support tobacco cessation treatments for youth. Agenda items are subject to change as priorities dictate.

*Procedure for Oral Public Comment:* All persons interested in making an oral public comment at the October ICSH meeting must submit an email request, according to the instructions provided, to Jade Chambers-Blair at OSHIM@cdc.gov, no later than 11:59 p.m., EDT, October 8, 2020. The email request should include the speaker's first and last name, organization, address, phone, and email. CDC will allow for as many comments as permitted by time and will queue individuals for comment in the order in which their requests were received. CDC staff will notify individuals regarding their request to speak by email by October 11, 2020. To accommodate the interest in participation in the oral public comment session of ICSH meetings, each speaker will be limited to 2 minutes, and each speaker may only speak once per meeting.
